Subject: Recommendation
Rick Robinson
Palumbo Insurance

To Whom It May Concern:

Rick's motto is "where service is the policy" and these are words that perfectly describe how Rick conducts his business. I brought my auto and homeowners insurance to Palumbo Insurance with the full confidence that Rick would review my current data, advise me on coverage that I should add or delete and provide me with a competitive price. Additionally, the support staff at Palumbo is knowledgeable, friendly and extremely efficient. I would highly recommend both Rick Robinson and Palumbo Insurance.

Sincerely,

A handwritten signature in blue ink that reads "Lynn".
